How to Transfer Your Cengage Learning PTR ebook From Your Computer to Your iPhone
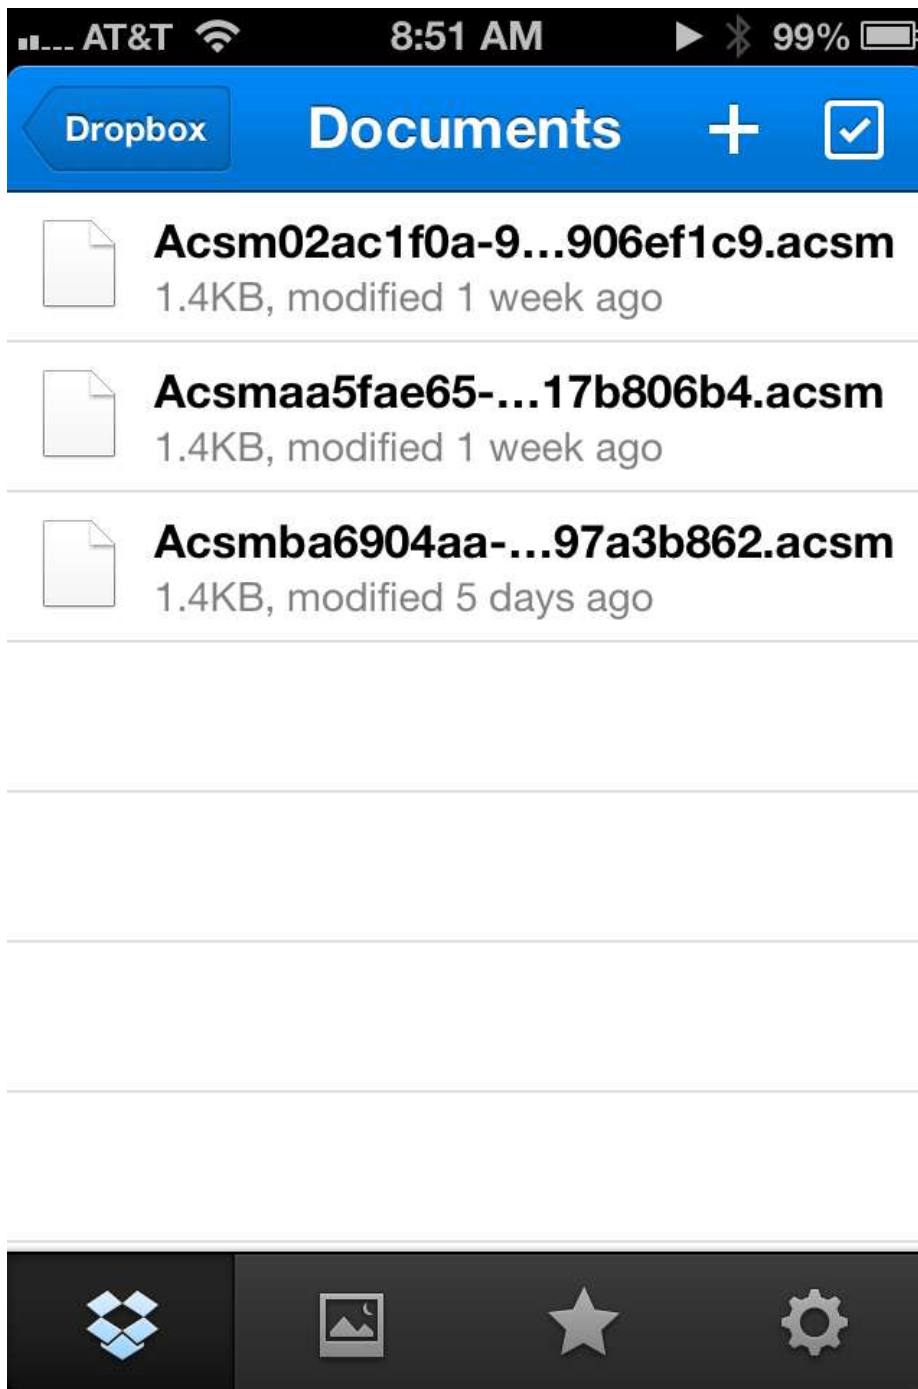

Before you begin, make sure you have:

•   A registered Adobe ID with adobe.com (you can get one (you can get one here)

•   Adobe Digital Editions on your computer (download here: http://www.adobe.com/products/digital-editions.html)

•   A registered DropBox account and the DropBox app downloaded to your mobile device

•   Downloaded the BlueFire app for your mobile device

•   Have purchased your ebook and it has been downloaded to your computer

1. First, drag and drop the eBook authentication file to your DropBox on your computer:

2. Next, go to the location in DropBox on your iPhone and locate the same eBook authentication file:

3. Select your email and view the authentication file:
